The Eta Chapter Family Tree

The Eta Chapter Family Tree, sponsored by the Eta Alumni Association, is an effort to identify the heritage of our Chapter by charting the Big and Little Brothers of all our alumni. The next unveiling of this effort will take place during our Homecoming celebration. But our Family Tree, and this record of our history, won't be complete without your participation. If you have not already submitted this information (or if you'd like to add some detail) please complete this sheet as much as you are able, and mail it to us at the address below. Many thanks, and we'll be sure that you're a part of the Eta Family Tree.
